CTDC Financial Policies

We are committed to providing you with the best care possible. If you have dental insurance, we will help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and understanding of our payment policy.

Our professional services are rendered to the patient and not to the insurance company. The insurance company is responsible to the patient and the patient is responsible to the doctor for payment of services. Due to constantly changing insurance contracts, benefits, and deductibles, we are only able to approximate your insurance coverage. As a courtesy to you, we file the insurance claim at no additional charge. If insurance pays less than expected, you will be charged the difference.

Payments for treatment or your estimated portion for treatment is due at time of service. We accept Master Card, Visa, Discover, American Express, and Care Credit. Please ask us for more details and options.

Our policy includes:

*If for any reason you request records or x-ray transfer, an administrative fee may be charged.

*Returned check fee is \$35.00

*Treatment plan fees quoted are honored for (3) months

*Should your account become delinquent and collection costs occur, you, the patient will be charged for those fees incurred.
